

Is supporting the existing development on the south side of the street the right approach?

The proposed parking strategies for this area are:

65%

1. A good idea

2%

2. OK, but not significant

19%

3. May work with changes – let's talk

14%

4. A terrible idea

Eliminating the one way loop near Heege, making Heege Rd. two way through the intersection . . .

- 31% 1. Is a great idea
- 34% 2. Is worth considering
- 13% 3. Can work with some changes
- 13% 4. Seems like a bad idea
- 8% 5. I don't care one way or the other

Development near Heege . . .

(Select all that apply)

- 67% 1. Should be mostly retail / dining
- 60% 2. Should include residential
- 36% 3. Should include neighborhood services
- 2% 4. should be something else – let's talk

Adding open activity space at the ball fields . . .

61%

1. Sounds great – let's make it happen

23%

2. Would be a good idea with some changes

4%

3. Looks like a bad idea

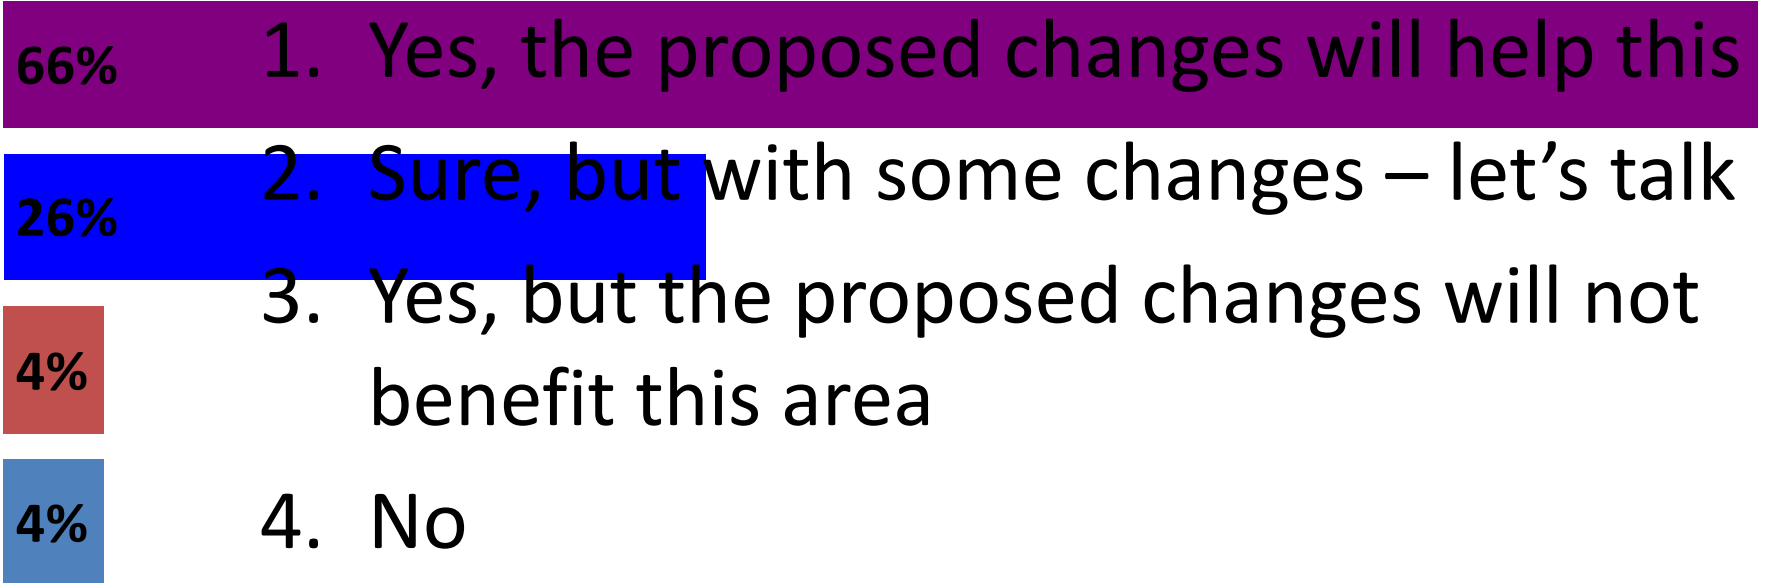

9%

4. Shouldn't happen. Make open / park space somewhere else.

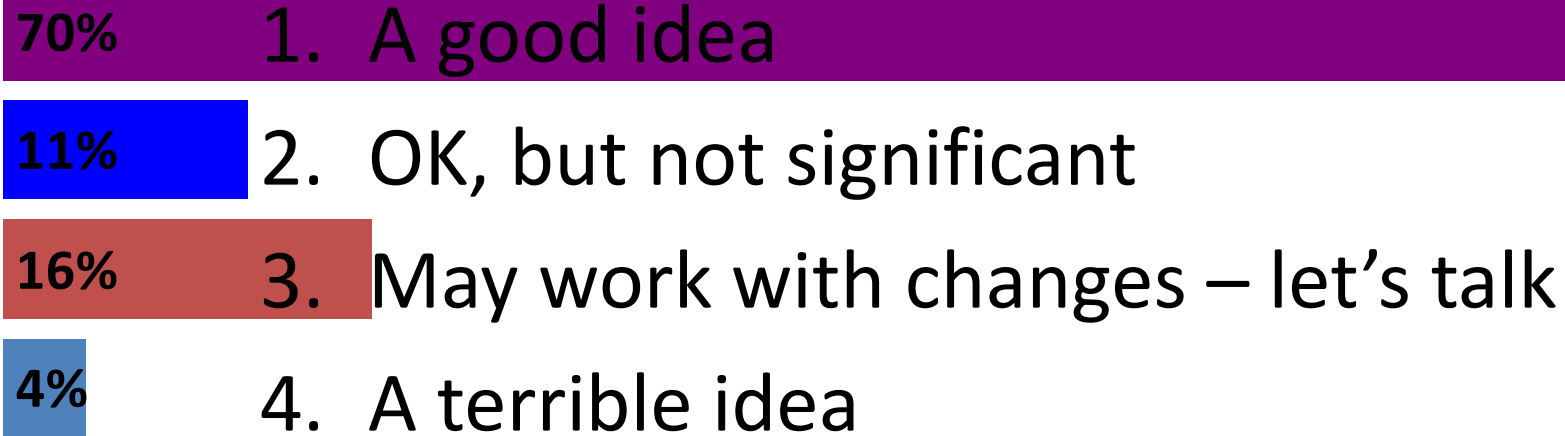

4%

5. Shouldn't happen. We don't need open space.

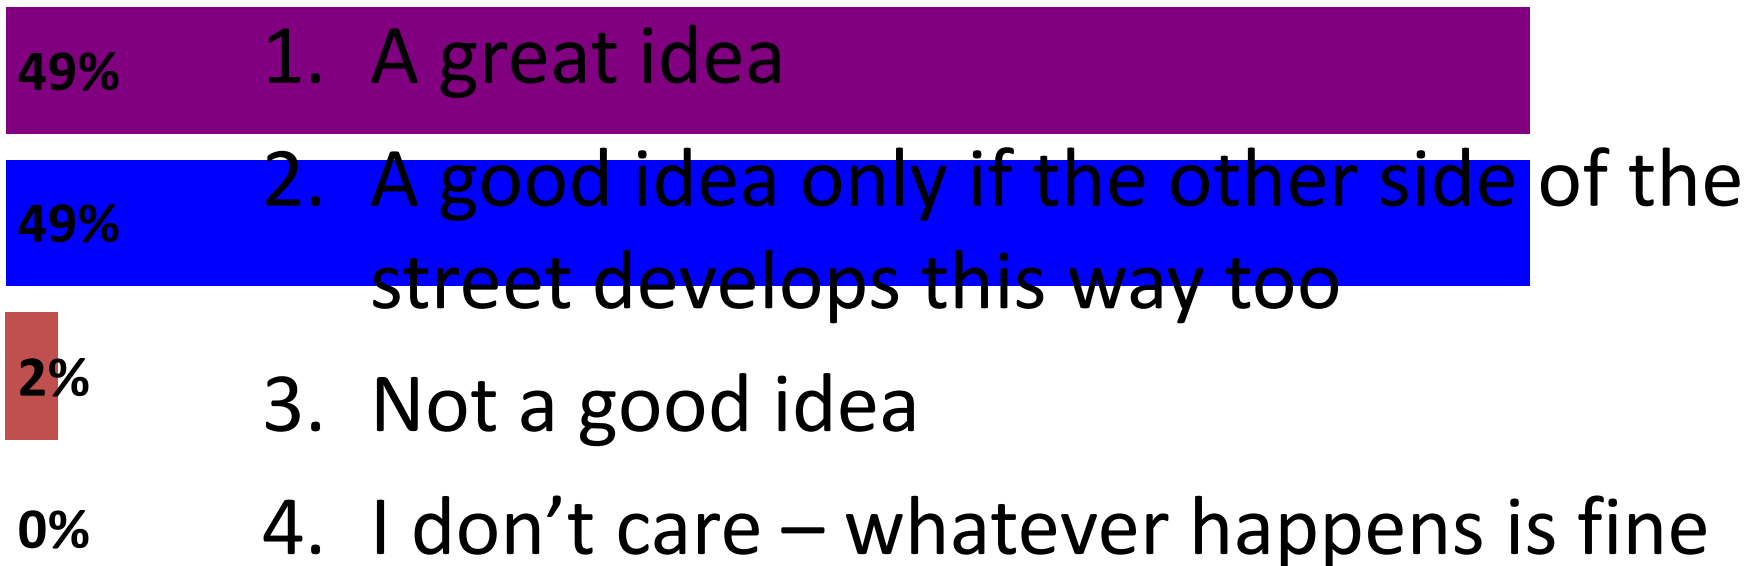

Is supporting the existing development in this segment the right approach?

The proposed parking strategies for this area are:

- 
- A horizontal bar chart with four bars of different colors (purple, blue, red, and grey-blue) representing the percentage of respondents for each parking strategy. The bars are arranged vertically from top to bottom, corresponding to the numbered list items.
- | Percentage | Strategy |
|------------|---------------------------------------|
| 70% | 1. A good idea |
| 11% | 2. OK, but not significant |
| 16% | 3. May work with changes – let's talk |
| 4% | 4. A terrible idea |
- 70% 1. A good idea
 - 11% 2. OK, but not significant
 - 16% 3. May work with changes – let's talk
 - 4% 4. A terrible idea

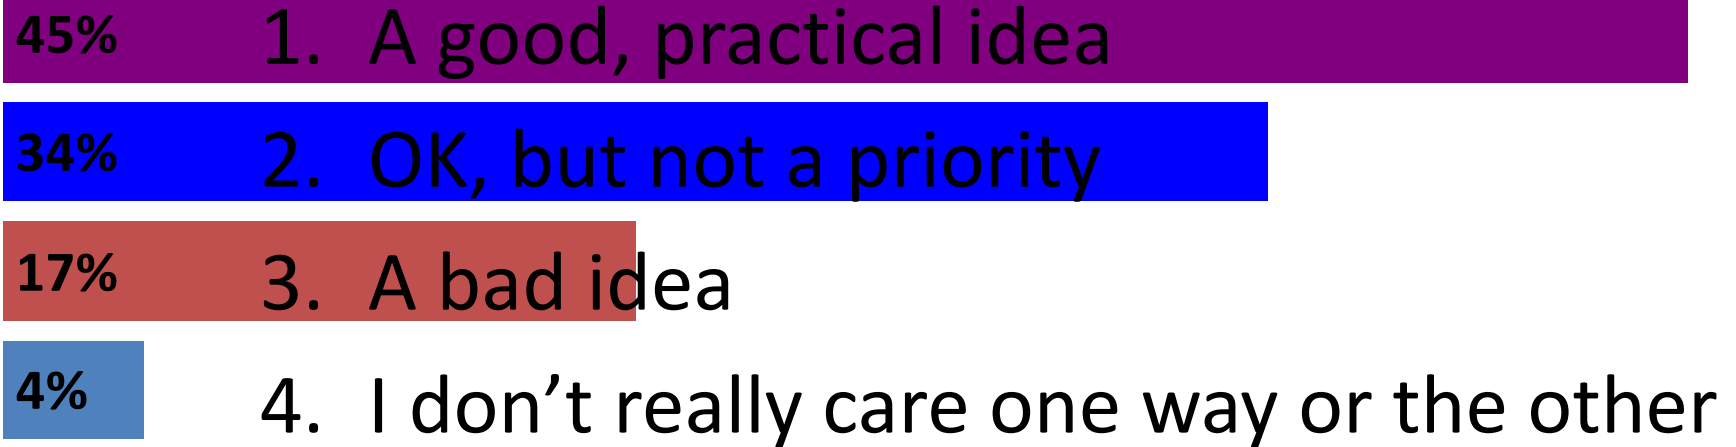

Promoting a “main street” character on the south side of Gravois in this area is:

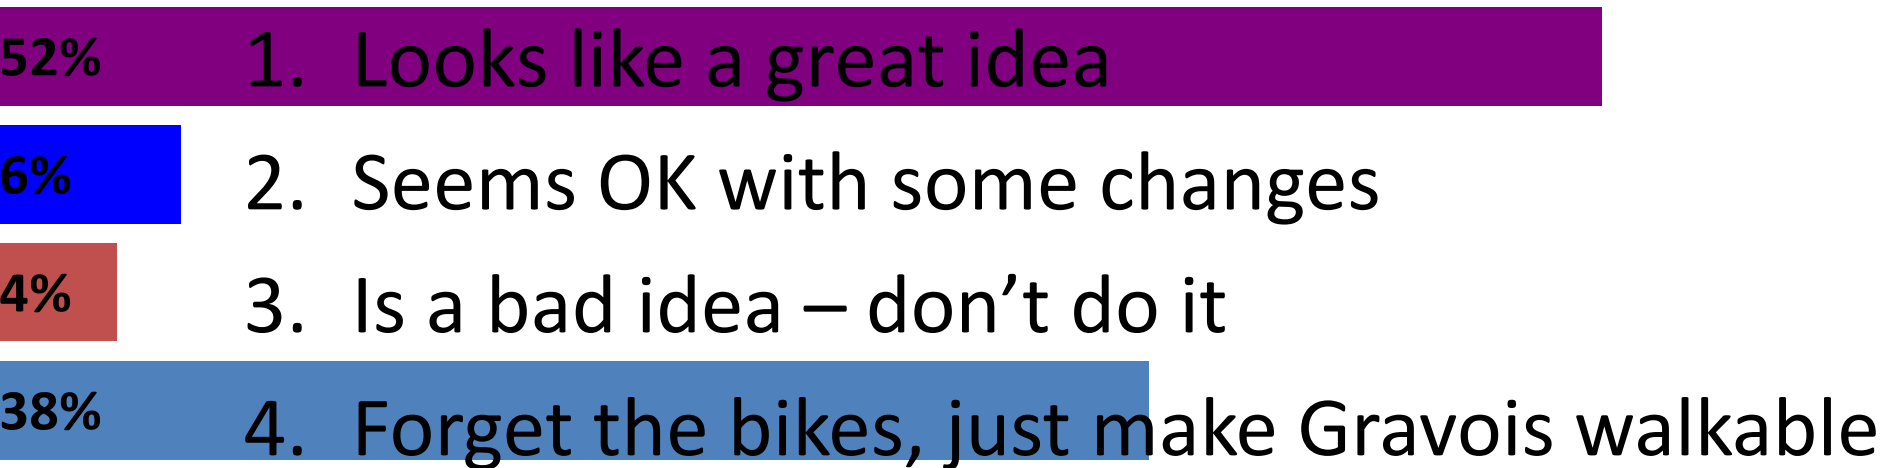

Outdoor “market” space at Affton Plaza is . . .

-
- A horizontal bar chart with four bars of different colors (purple, blue, red, and light blue) representing the percentage of respondents for each response category. The bars are positioned to the left of the text labels. The purple bar is the longest, followed by the blue bar, then the red bar, and finally the light blue bar.
- | Percentage | Response |
|------------|---|
| 78% | 1. A good idea |
| 17% | 2. OK, but why? |
| 2% | 3. Not a good idea, but I have another idea |
| 3% | 4. A Bad idea – don't do it. |
- 78% 1. A good idea
 - 17% 2. OK, but why?
 - 2% 3. Not a good idea, but I have another idea
 - 3% 4. A Bad idea – don't do it.

Shared road bike facility on Weber north of Affton Plaza is . . .

The proposed bike / pedestrian connection to the River Des Peres Greenway and services along Gravois

Connecting Grant's Trail and River Des Peres Greenway through Affton

- 79% 1. Is a fine idea – let's investigate the options
- 16% 2. Doesn't seem important
- 5% 3. Is a bad idea

The proposed short term lane reconfiguration is

36%

1. A great idea – let's do it

43%

2. Is worth investigating – do the traffic study

9%

3. Seems like a bad idea, but I'm open to more information

11%

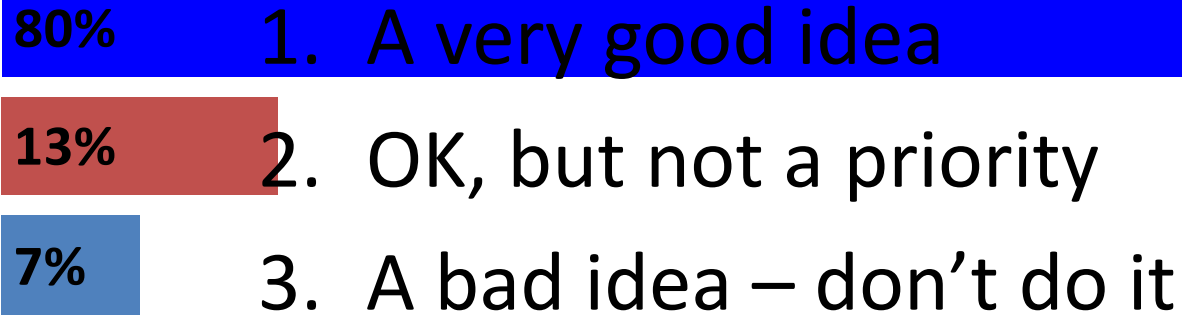

4. Looks like a terrible idea – I wouldn't trust a traffic study

0%

5. Doesn't seem important – why bother

Forming a formal business district is . .

.

- 
- A horizontal bar chart with three bars of different colors: blue, red, and light blue. Each bar is followed by a percentage and a numbered list item. The blue bar is the longest, followed by the red bar, and then the light blue bar.
- | Percentage | Response |
|------------|-----------------------------|
| 80% | 1. A very good idea |
| 13% | 2. OK, but not a priority |
| 7% | 3. A bad idea – don't do it |
- 80% 1. A very good idea
 - 13% 2. OK, but not a priority
 - 7% 3. A bad idea – don't do it

A business district should . . .

(Select all that apply)

A community development organization is . . .

- 81% 1. A great idea – coordinate the current efforts
- 12% 2. OK, but not a priority
- 5% 3. A bad idea
- 2% 4. I don't really care one way or the other

My top three priorities for the corridor are:
