Final Open House for the Lake Saint Louis Comprehensive Plan on Wednesday, July 19th

The public is invited to attend the fourth and final open house for the Lake Saint Louis Comprehensive Plan from 5:00 – 7:30 p.m., Wednesday, July 19th at the Lake Saint Louis City Hall (200 Civic Center Drive, Lake Saint Louis, MO 63367). Attendees at the open house will have an opportunity to review the draft comprehensive plan. The public can stop by anytime between 5:00 - 7:30 p.m. Staff and members of the planning team will be available for questions.

“The draft comprehensive plan will be available for residents to review.” said Kathy Schweikert, Mayor of Lake Saint Louis. “We’ve had great input at the first three open houses, community meetings, and surveys that are reflected in the draft plan.”

For those who cannot attend the open house, the draft comprehensive plan will be available after the open house on the project website at www.MyFutureLakeSaintLouis.com. The public will be able to comment on the draft plan until August 25th.

The planning team is led by the i5Group, along with Development Strategies and Shockey Consulting Services. A twelve-person resident Steering Committee is helping guide the process. The Steering Committee has representatives from the Board of Aldermen, Planning and Zoning Commission, and residents from across the city.

“We had great positive feedback on the draft plan components from attendees at the open house back in April.” said Stephen Ibendahl, Principal of the i5Group. “We are looking forward to everyone reviewing the draft comprehensive plan.”

The planning process started in late summer 2016. For more information about the Lake Saint Louis Comprehensive Plan, visit www.MyFutureLakeSaintLouis.com or contact Paul Markworth, City Administrator, at 636-625-1200.
